RIVESTIMENTO IN LEGNO ▪ Wooden facade ▪ Holzfassade

La tavola di legno può essere verniciata in qualsiasi colore della palette RAL. È importante ricordare che la finitura del legno naturale deve essere rinnovata periodicamente (impregnazione, verniciatura) per mantenere la sua bellezza.

Wooden facade can be painted in any color from the RAL palette. Please remember that the coating of natural wood should be periodically renewed (impregnation, painting) to retain its charm.

Die Holzfassade kann in gewünschtem Farbton nach RAL-Palette gestrichen werden. Damit die Holzfassade ihren Scharm fur Jahre behalt, muss die Beschichtung regelmäßig erneuert werden.
